Tip: You also have the option to see dashboard widgets as websites. Click here to learn more on how to install

NB: Beas dashboards only appear if you also are running Beas Manufacturing (version 9.3 PL02 or higher). For more info and support on the Beas Specific Dashboards please go [here](#)

NB: WMS dashboards only appear if you also are running Prodamx WMS (version 2021.12 or higher). For more info and support on the WMS please go [here](#)

NB: Boym Cloud Apps dashboards only appear if you also are running Boym Cloud Inspector. For more info and support on the Boym Cloud Apps please go [here](#)

It is possible to also have the dashboard widget in a Web Browser by installing the additional B1WebDashboard component on your server.
