Quick Create

Online E-Learning is also available for this module. [Click here to watch it](#)

Quick Create allows you to quickly create a Business Partner from a simplified window instead of the Business Partner Master Data. This is handy in sales situations, where you will be able to create a new business partner directly from the sales window.

Quick Create

Code	Manual	Customer
Name		
Group	Kunder	
Address		
Zip code		
City		
Date		
Country	Denmark	
Phone		
Payment terms	3 days netto	
Federal Tax Id		
Arbitr. create		
Bank format		

Add Cancel

Quick Create allows you in a similar way to quickly create an item from Item Master Data or directly from purchase and sales windows.
