Right-click menu creator

[Previous](#) [Next](#) | [Direct link to this topic](#)

[See a video of the feature](#) | [Online Help Center](#)

Right-click menu creator allows you to add menus to a right click on all windows in SAP Business One. The menus can be configured to your need by activating predefined functions or universal function.

Right-click configuration™

To quickly get going go to the window you wish to add right click menus to, right-click and choose "Add Right-Click Menus to this window".

Alternative you can go to: Administration > Add-Ons > B1 Usability Package > Module Configuration > Right click menu Creator.
